### **MEA congratulates Dr Roberta Metsola on her re-election as European Parliament President**

The Malta Employers' Association congratulates Dr Roberta Metsola on her re-election as President of the European Parliament for a historic second term.

The MEA was pleased to note the most convincing manner of Dr Metsola's re-election obtaining the strongest-ever majority of votes which evidences of the clout and respect she enjoys among her peers hailing from all quarters of the political spectrum in the European Union.

The Association has every faith in Dr Metsola's continued leadership of the European Parliament and shares her strong principles in favour of a united Europe, world peace, free democracy, equality in social rights and good governance. It is confident that Dr Metsola shall continue to build upon her success in leading her fellow MEPs as well as in the gaining of utmost respect from European and world leaders.

Above all, the MEA expressed confidence that Dr Metsola will continue to make herself, her family and her country Malta proud. It looks forward to collaborating with her and her office as and when required in the interest of Maltese employers, Malta and of the EU.
