

Foundation for Social Welfare Services
Here for you

24th April, 2020

Dear Mr. Anton Vella,

Sedqa as part of the Foundation for Social Welfare Services signed an MoU with MEA to further their collaboration in 2019. This collaboration benefitted both entities through shared information and visibility related to the workplace sector. Sedqa's listing on the MEA Index online platform lead to more employers enquiring about and requesting our services. MEA proved to enhance our visibility and created a discussion in terms of social responsibility. MEA proves to be an excellent partner for continuous dialogue and collaboration, offering Sedqa the opportunity to participate in the MEA SME Week and forming part of MEA's HR Course. Such pro active approach worked well in terms of discussing matters which reflect the current practice.

Many thanks,

Charles Scerri
